## What is **Baby Loves Political Science Congress** about?

Baby Loves Political Science Congress follows Baby as she visits the U.S. Capitol building and learns about the three branches of government: the legislative, the executive, and the judicial. Baby meets with members of Congress, the President, and even the Supreme Court justices. Along the way, she learns about the different roles that each branch plays in our government and how they work together to make laws and keep our country running.

## Why is **Baby Loves Political Science Congress** a must-read for parents and educators?

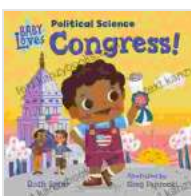

Baby Loves Political Science Congress is a must-read for parents and educators because it is:

- **Engaging and educational.** The vibrant illustrations and engaging text will capture kids' attention and help them learn about the different branches of government in a fun and interactive way.
- **Nonpartisan.** The book does not take sides on any political issues, so it can be used in any classroom or home.
- **A great way to get kids interested in civics.** The book teaches kids about the importance of civic participation and how they can make a difference in their communities.
