1. Combine the ice cream and milk in a blender and blend until smooth. 2. Add your favorite toppings and blend until combined. 3. Pour the freakshake into a glass and top with whipped cream. 4. Enjoy!

### **Tips for making the perfect freakshake:**

\* Use high-quality ice cream. The better the ice cream, the better the freakshake will be. \* Don't be afraid to experiment with different toppings. The more creative you are, the more delicious your freakshake will be. \*

Don't overfill your glass. Freakshakes are meant to be enjoyed, not inhaled.
