What's Inside Peaceful Journey

Peaceful Journey is divided into three parts:

1. **Part One: Foundations of Spiritual Care**
2. **Part Two: Providing Spiritual Care to Patients and Families**
3. **Part Three: Caring for Yourself as a Hospice Chaplain**

Part One provides an overview of the spiritual needs of patients and families at the end of life. You will learn about the different ways that people experience spirituality and how to assess their needs. You will also learn about the importance of self-care for hospice chaplains.

Part Two offers practical advice on how to provide spiritual care to patients and families. You will learn how to communicate effectively, create meaningful rituals and ceremonies, and support patients and families through grief and loss.

Part Three focuses on the importance of self-care for hospice chaplains. You will learn how to manage stress, set boundaries, and find support. You

will also learn about the resources that are available to help you care for yourself.

Who Should Read Peaceful Journey

Peaceful Journey is essential reading for hospice chaplains and other healthcare professionals who provide spiritual care to patients and families at the end of life. It is also a valuable resource for family members and friends who are caring for a loved one who is dying.
