The Ultimate Reference Guide to the World's Most Popular Martial Art (Third Edition) is the definitive guide to martial arts. Written by a team of experts with decades of experience, this book covers everything from the history of martial arts to the different styles and techniques. It also includes a comprehensive glossary of terms and a directory of martial arts schools.

This book is perfect for both beginners and experienced martial artists. Beginners will find everything they need to know to get started, while experienced martial artists will find valuable insights and information on the latest techniques and trends.

What's New in the Third Edition?

- **Updated content:** The third edition has been updated to include the latest information on martial arts, including new styles and techniques.
- **New photos and illustrations:** The third edition features over 1,000 new photos and illustrations, making it the most visually appealing martial arts book on the market.
- **Expanded glossary:** The third edition's glossary has been expanded to include over 1,000 new terms.

- **New directory of martial arts schools:** The third edition includes a new directory of martial arts schools, making it easy to find a school near you.
